## NATIONAL WHITE AMERICANS PARTY

P. O. Box 2013

Atlanta 1, Georgia

P. O. Box 431,  
Scarborough, Ont., Canada,  
February, 1964.

Dear Sir/Madam:

A mutual friend has informed us that you are a strong believer in segregation and a dedicated opponent of Jewish Communism.

To avoid delay we are enclosing a membership card to the NATIONAL WHITE AMERICANS PARTY. All you need to do is sign it and you are an official member. Then, drop us a line to inform us of your decision and an organizer will visit you to explain our activity here in Toronto.

You may consider this procedure presumptuous or an imposition on your privacy, but my friend, in this struggle against International Jewish Communism every minute counts. So, to avoid wasting time we are mailing out thousands of cards and leaflets to obtain a mass membership. Your signing the card does not obligate you in any way, although you will be asked to vote for anti-Jewish candidates, boycott Jewish goods, etc. There are no dues or fees.

You may wonder why you are being asked to join an American based organization. The NWAP is a party of the Whiteman and therefore supersedes national boundaries. We believe in the superiority of the Aryan race as proved by his great culture and civilization. The negro races have never developed a civilization, discovered any new invention, written a great symphony, or even originated an alphabet. They are on a MUCH lower level to the Whites. We believe in sending all negroes back to Africa whence they came.

On the Jewish Question our policy is much stricter. We demand the arrest of all Jews involved in Communist or Zionist plots, public trials and executions. All other Jews would be immediately sterilized so that they could not breed more Jews. This is vital because the Jews are CRIMINALS as a race, who have been active in anti-Christian plots throughout their entire history.

We are moving ahead to victory. We have a positive, active program. Truth is on our side. But to win, we need your help. Help us distribute a million anti-Jewish leaflets during 1964. Let us hear from you real soon, so we can start laying out our plans for the next election.

Yours for a White World,

*Col. J.P. Fry*

### DEDICATION

This booklet is dedicated to the hours of planning, the days of designing, the months of writing, and the gruelling years of staging, acting and promoting, expended by the Jewish Hollywood script writers, actors and promoters, whose propaganda genius has created for the world the colossal myth of the six million gassed Jews. To each individually staged atrocity photo, to each tear-jerking line of testimonial, to each tattoo kit, to each rubberbody, stage prop, plastic tooth and catsup bottle--to International Latex and Meyer Levin--and to each Jewish costume designer, director, writer and actor--without whose combined talents the myth would have been utterly impossible--we respectfully dedicate this booklet.

## COMMUNIST PARTY MEETS IN JEW CENTERS

"There'll be joy in Yablou Cultural Center," stated the Communist paper, *PEOPLE'S WORLD* (see inset above). (Edward Smith Act defendants, their attorneys and friends will celebrate the recent Supreme Court ruling which freed five and ordered new trials for the remaining nine.) So began a recent

item in the Communist Party's official Pacific coast organ in announcing a July 10 celebration in honor of the 11 west coast Communist leaders whose Smith Act sentences were recently upset by Supreme Court decision. It was fitting that the Communists should hold their "Victory" celebration at the Jewish

"Misha Yablou Cultural Center" in the heart of Hollywood, because practically all the 16 red leaders are either Jews or in a few cases married to Jews. The Communist Party frequently holds rallies, social events and fund raising "events" at various Jewish cultural centers in the Los Angeles area.

Just as the NAACP, Martin Luther King and other extreme left-wing elements use Negro churches as protective fronts to hold their subversive meetings, the U. S. Communist Party uses Jewish Religious Centers for their secret dens of Anti-American plotting. On this page we picture the Los Angeles "Jewish Cultural Center," which Communist Jews are going to use to celebrate their release by the U.S. Supreme Court. What the public does not know is that the Communists frequently announce in their publications meetings in Jewish religious centers. Many also do not know that the only daily Communist newspaper left in America today is not the so-called "Daily Worker" (it only comes out twice a week now, by the "Morning Freiheit") -- A YIDDISH DAILY, PUBLISHED BY THE OFFICIAL JEWISH SECTION OF THE COMMUNIST PARTY. And that they have an official magazine for the Communist Party named "Jewish Currents," also published at the same address. While all Jews

in America may not be Communists, it is a fact that Jews make up the majority in the U.S. Communist Party today. In other words, if the Jews would in mass resign from the U. S. Communist Party, the Party would cease to exist. Ninety-five percent of all Jews in America can be classified as either, Socialists, leftists, or liberals -- regardless, they are on the left -- and are the main force moving this nation leftward into the camp of International Communism.

Whenever these facts come to light, the Jews always fall back on the old defense smear word "Anti-Semitism," and condemn all who would expose them. Therefore, we continually find Communists announcing that their next meeting will be held at a synagogue, Jewish Community Center, Jewish Cultural Club, Yiddish School, etc. Our leaders are afraid to oppose these dens of treason, for fear of being called "Religious Bigots." Time is running out, and we must soon awaken our people to the complete realization of just who is behind and promoting Communism in America.

## Rare Jewish Book Tells Secrets of Russian Revolution

By Maj. R. B. Williams  
former U.S. Counter Intelligence Officer

A now rare and hard to find book is "The Origins of The Russian Jewish Labor Movement" (published by F. W. Chesshire Pty., Ltd. Melbourne, 1947). The author is the well-known Jew, A.L. Patkin, an authority on The Russian Revolution, because he himself was part of the Revolution. Patkin was a member of the first Moscow City Council under Red rule in 1917, and was vice president of the Jewish Volkspartei.

In the book, Patkin states: "Marxism is the shell, but its kernel is Jewish Sociology, Jewish currents of thought, Jewish religious and social ethics -- and above all the Jewish emotional belief in the 'end of days' which has been the basic attribute of Judaism and Jewishness since the days of the ancient prophets."

Patkin's history goes on to describe the two Jewish streams of revolutionary thought which conditioned the Russian people for the Revolution: (1) Marxism, which influenced Russian and Jewish intellectuals, and (2) Chassidism, which made possible the revolt of labor and the Russian masses, how swiftly those streams broadened and deepened, Patkin pictures by stating that it was only 140 years from the time Catherine the Great opened the "Polish Pale" (restrictions forbidding more Jews from moving into Russia) to admit Jews into Russia until the successful revolution in 1917. In this connection, the percentage of Jewish persons before 1917 is interesting. It ranged from 12 percent of the population in the cities and five percent in rural areas. At the time of the Revolution, the Jewish population of urban areas had increased to 41 percent.

### Names Authors of Communism

Speaking of the process of the "Russian" Revolution, Patkin says:

"The way the Jewish workers organized themselves around their trade unions and political parties, celebrated their various revolutionary and Socialist festivals, as on May 1st, ... was equally marked with traces of the Jewish traditional pattern. ... It was a faith emanating from the very depths of ... (their) Jewish soul. The inherited belief in the messianic 'end of days' ... was only intensified by the new methods of Socialist and revolutionary propaganda. It was the 'end of days' which prompted ... (them) to act, to strike, and to revolt."

It may be said here that the "end of days" is to the Jew what the establishment of world Communism is to the Communist. This the Christian should ponder: "The Jewish youth, ... some formally converted to Christianity, ... worked underground under assumed names, now as teachers, now as vagabond preachers ..."

Of the Jewish intellectuals zealously bringing on the Revolution, Patkin mentions, among many others, Mark Natanson, who "was the first in Russia to unite all the existing scattered revolutionary cells into one central organization, and as such, his services to the cause cannot be over-estimated. (He) played a great part in the mauling of the revolutionary spirit among the university youth."

It was Nicolas Ustin who "formed the Russian section of the International and was appointed its representative on the General Council. ... Ustin must be considered indeed the first (foremost?) RWJ Russian Marxist."

### Religions - Communist Jews

Paul Axelrod "has been ranked as the spiritual father of Russian Socialism in its Mexican interpretation. ... occupies a unique position of authority ... not only in the Russian but also in the General European Movement."

## BELOW MET IN ABOVE JEW CENTER

In nullifying the Smith Act, the Supreme Court freed the west coast Communist leaders and ordered new trials for nine others -- convicted in the five freed Communist, all but one of whom are Jews. From left to right they are: F. Connally (in Gentile).

"Vladimir Jackelton ... of the age of 12 ... was already versed in Talmudic literature and knew the Bible (Torah) almost by heart, was an active member of the party 'Nardodaja Vola' ... and took part in all its terrorist acts directed against the Tsar and the hands of the Gorenstein."

The Nardodaja Vola was "a progressive revolutionary movement ... responsible for a number of courageous terrorist acts, including the assassination of Alexander II himself."

"Grigori Goldenberg was entrusted with the organization of the Chastor, Governor-General, Prince Kropotkin ..."

"The (Jewish Socialist) movement was engineered by Aaron Liberman, who was already active in the first Vlna revolutionary circle of 1912, organized among the students of the Rabbinical school. ... a Socialist-Zionist ..."

"Liberman was the first to formulate the idea of Jewish Socialism in the following terms: 'To us Jews, Socialism is not a strange phenomenon. The 'commune' ... is our very existence, revolution

F. Specter, R. Kunitz, M. Steinberg, and in the past, all rich and powerful of the Communist paper, *PEOPLE'S WORLD* (see inset above). It is expected that some of the Communist (mostly Jewish) convicted under the Smith Act, will be freed, while another 27 awaiting trial will probably escape trial."

"is our tradition, solidarity is the basis of our Torah. ... Our ancient social order was anarchic, our human relationships were based on the principles of the International. The great prophets of our modern times, the Jews Marx, Lenin, etc., were brought up in the spirit of our people ..."

"The first Vlna revolutionary circle ... consisted of members mainly recruited from the students of the Rabbinical Colleges. ... It was in the tail of Vlna that the seeds of the Jewish Labor Movement as a mass movement were sown, and it was from this 'Jewish school' that the new gospel of International Socialism in its Marxist scientific garb went abroad ..."

... pre-revolutionary Russia ... Patkin himself later went from Russia to Australia and became the editor of The Zionist, the official organ of the Australian and New Zealand Zionist Federation. He

## "Un-American Activities Committees" Find Communism To Be Jewish - Thus The Drive To Abolish Committees

Interview with Senator Jack B. Tenney, former chairman of the California Un-American Activities Committee.

Q. Senator Tenney, how long have you served in the California Senate?

A. Eleven years. I was elected to the Senate in 1942.

Q. And before that you served in the California Assembly?

A. For six years.

Q. How long did you serve as chairman of the California Committee on Un-American Activities?

A. From 1941 until 1948.

Q. You headed the Committee for about eight years then?

A. Yes.

Q. During most of that time the Un-American Activities Committee was actually known as the "Tenney Committee," was it not?

A. The press referred to the Committee after 1941 as the Tenney Committee, yes.

Q. And it was also frequently referred to as the "Little Dies Committee"?

A. Yes, although mostly in the Communist and left-wing press.

Q. It was believed by the left-wing press that Congressman Martin Dies had been an anti-Semite?

A. The press referred to the Committee with the Dies Committee would discredit such charges.

Q. As a matter of fact, didn't the work of the "Tenney Committee" parallel that of the Dies Committee on Un-American Activities in Washington?

A. To a large extent, yes.

Q. Senator, what groups and organizations were most active in opposing your Committee's anti-Communist investigations?

A. The usual New Deal, left-wing, Socialist and Communist organizations. Also some labor groups and certain segments of organized Jewry. The latter groups became more openly antagonistic after the issuance of the Committee's 1948 report.

Q. And have these same Jewish groups and individuals likewise given effective opposition to the old "Dies Committee," the McCarran Sub-Committee and the present House Un-American Activities Committee?

A. In my opinion, yes. Coverly at first, more openly as the committees became more effective and vigorous. The periodicals of organized Jewry reveal their antagonism to all such committees.

Q. Do you mean that all Jewish publications oppose these investigative committees, or just some of them?

A. I do not remember having seen a Jewish publication that supported any legislative committee investigating Communism.

Q. Why is it, Senator, that you, as well as every prominent member of the House Committee on Un-American Activities have been labeled an "anti-Semite" by certain groups?

A. This appears to be the ultimate lot of every person who fights Communism. Unfortunately, an exposé of Communism reveals that an ever balance of Jews predominate in any index of Communism and Communist in-

Senator Jack B. Tenney (second from left) is without doubt the most controversial figure in California politics today. As chairman of the California Un-American Activities Committee (the famed Tenney Committee)

low travelers.

Q. Does the Communist Party, then, brand its enemies as "anti-Semitic" in order to frighten them?

A. Yes. "Anti-Semitism" is an appellation similar to "red-baiter" of the 1920s. The term . . . paralyzes the Gentile brain, which is already conditioned by propaganda. Needless to say, I am not anti-Semitic—only pro-American.

Q. Does the Communist Party attempt to "educate" the public so that it will tend to identify anti-Communism with anti-Semitism?

A. Yes, and so do the leaders of organized Jewry. The formula is: anti-Communism are fascists and fascists are always anti-Semites.

Q. Does this also explain why Senators Jenner, McCarthy, McCarran and Rep. Voldie are currently being accused of "anti-Semitism"?

A. In my opinion, yes.

Q. Senator Tenney, you are perhaps better acquainted with the nature of the Communist conspiracy than any other man in America today. Let me ask you the old question: is the Communist conspiracy in the U.S. being directed and carried out by any particular racial group?

A. Although Communism has persecuted all ethnic groups in the United States, it is particularly of Jewish origin and propagation. The American Socialist movement never amounted to much, and the Russian Jewish Socialist Bund, which was established in the United States by Jewish immigrants from Eastern Europe, more or less ignored the American brand of Socialism. This Jewish Socialist Bund became the nucleus of Communism in the United States in 1918. Hence, the Jews more than any other ethnic group—and the term is here used only in that sense—pre-occupied

he has attracted nationwide attention with his anti-Communist investigations. He has also won the undying animosity of the Communist Party, and of that section of organized Jewry associated with it.

and directed the Communist movement in the United States. You must also remember that the Jewish Socialist Bund of Russia and Poland was the cadre of the "All Russian Social Democratic Labor Party" which ultimately became the Communist, or Bolshevik, Party of Russia. The men who introduced Marxism into Russia were Jews. The split in the "All Russian Social Democratic Labor Party" (into Menshevik and Bolshevik factions) was over the question of Jewish nationalism and nothing else—all propaganda to the contrary notwithstanding.

Q. What about the recent "anti-Semitic" purge in Russia? do you think Stalin was anti-Jewish?

A. The so-called "anti-Semitic" purge in Russia was no more anti-Semitic than the conviction of the Rosenbergs. In the United States, was anti-Semitic. In my opinion both instances are distant rumblings of the storm in Russia. Stalin's marriage to a Jewess suggests any implication of anti-Semitism so far as he was personally concerned.

Q. Senator, do the findings of the Un-American Activities Committee indicate that most of the saboteurs convicted in this country since World War II are Jewish?

A. The record speaks for itself. Of the eleven convicted in New York in 1949 under the Smith Act, no less than six were Jews. Great percentages are evident in other cases. For example, Judith Coplin, convicted of espionage, was a Jewess; Gerhard Rieder, the highest ranking Communist ever netted in this country, was likewise Jewish. So also were the principal members of the Rosenberg atom spy ring, including Harry Gold, David Greenglass, Miriam Moskowitz, Al Rosenberg, Morton Sobell, and of course the Rosenbergs. Similarly, the ringleader of the Amerasia Case, Philip Jaffe, was a Russian Jew. And, early this year, when the thirteen second-string executives of the Communist Party were convicted under the Smith Act, eight turned out to be Jewish. In Hollywood the infamous "Hollywood Ten"—condemned for contempt of Congress—were all Jewish, with one possible exception. Up to Canada the ringleader of the so-called "Canadian Spy Ring" was none other than Fred Rose, a Jew. And there are many other similar cases. The record clearly indicates that an overwhelming majority of those convicted for Communist activity are Jewish.

Q. Senator, you are perhaps better acquainted with the nature of the Communist conspiracy than any other man in America today. Let me ask you the old question: is the Communist conspiracy in the U.S. being directed and carried out by any particular racial group?

A. Although Communism has persecuted all ethnic groups in the United States, it is particularly of Jewish origin and propagation. A. The so-called "anti-Semitic" purge in Russia was no more anti-Semitic than the conviction of the Rosenbergs. In the United States, was anti-Semitic. In my opinion both instances are distant rumblings of the storm in Russia. Stalin's marriage to a Jewess suggests any implication of anti-Semitism so far as he was personally concerned.

Q. Senator, do the findings of the Un-American Activities Committee indicate that most of the saboteurs convicted in this country since World War II are Jewish?

A. The record speaks for itself. Of the eleven convicted in New York in 1949 under the Smith Act, no less than six were Jews. Great percentages are evident in other cases. For example, Judith Coplin, convicted of espionage, was a Jewess; Gerhard Rieder, the highest ranking Communist ever netted in this country, was likewise Jewish. So also were the principal members of the Rosenberg atom spy ring, including Harry Gold, David Greenglass, Miriam Moskowitz, Al Rosenberg, Morton Sobell, and of course the Rosenbergs. Similarly, the ringleader of the Amerasia Case, Philip Jaffe, was a Russian Jew. And, early this year, when the thirteen second-string executives of the Communist Party were convicted under the Smith Act, eight turned out to be Jewish. In Hollywood the infamous "Hollywood Ten"—condemned for contempt of Congress—were all Jewish, with one possible exception. Up to Canada the ringleader of the so-called "Canadian Spy Ring" was none other than Fred Rose, a Jew. And there are many other similar cases. The record clearly indicates that an overwhelming majority of those convicted for Communist activity are Jewish.

Q. Senator, you are perhaps better acquainted with the nature of the Communist conspiracy than any other man in America today. Let me ask you the old question: is the Communist conspiracy in the U.S. being directed and carried out by any particular racial group?

A. Although Communism has persecuted all ethnic groups in the United States, it is particularly of Jewish origin and propagation. The American Socialist movement never amounted to much, and the Russian Jewish Socialist Bund, which was established in the United States by Jewish immigrants from Eastern Europe, more or less ignored the American brand of Socialism. This Jewish Socialist Bund became the nucleus of Communism in the United States in 1918. Hence, the Jews more than any other ethnic group—and the term is here used only in that sense—pre-occupied

and directed the Communist movement in the United States. You must also remember that the Jewish Socialist Bund of Russia and Poland was the cadre of the "All Russian Social Democratic Labor Party" which ultimately became the Communist, or Bolshevik, Party of Russia. The men who introduced Marxism into Russia were Jews. The split in the "All Russian Social Democratic Labor Party" (into Menshevik and Bolshevik factions) was over the question of Jewish nationalism and nothing else—all propaganda to the contrary notwithstanding.

Q. What about the recent "anti-Semitic" purge in Russia? do you think Stalin was anti-Jewish?

### Secrets of Russian Revolution (Continued from Page 1)

is also considered an "authority on Russian political and legal questions" (Jack et biography.)

Notice that these ardent Jewish Communists are also ardent Zionists and many of them ardent students of the Jewish religion!

Referring to Zionism, Palkin states that "Zionism and Socialism have conquered the minds of the Jewish masses and intelligentsia in the last quarter of the 19th century." He states further that "the high rate of Jewish active participation in the Red armed forces, together with the Jewish situation in Germany in the second world war, have brought the Jewish people all over the world into intimate contact of mind and heart with the Soviet Nation."

### Dual Citizenship of Zionists

Palkin agrees with Zakerman that no distinction is made between the Jews of the world and Israel. "Facts and Figures" states: "The acquisition of Israel nationality is not dependent upon renunciation of previous nationality."

Contemplate the significance of this dual citizenship; all Jews in our country who cooperate with and give aid and comfort to the Zionists are in effect accepting the world citizenship of the Zionist world order. Tying this fact of Jewish unity to the precepts of the Russian Revolution, it is not surprising to find as a matter of further research, — and it is of the utmost importance for the Christian American — that the government set up in Russia in 1917 should have been Jewish in leadership and personnel. A list of the principal leaders of the new Bolshevik dictatorship was published by the London Post in 1920. The Post showing that of fifty persons who were "either the actual governing powers in Soviet Russia" or "responsible for the re-establishment thereof of the . . . regime," all but seven were Jewish. Two of the remaining seven were known to have Jewish mothers, and a third had a Jewish wife.

The list gives their real names and their acquired pseudonyms. Thus, Axelrod (Akselrod) became Ortolok; Natanson (Natananson) became Volov; Rosenfeld became Kameny; Bravinskiy became Trotsky; Gulanov became Lenin; Apfelbaum, Zinoviev, Wallach, Litvinov (Lia, Finkelstein), etc.

So much from "Facts and Figures" (1925) as to Jewishness, so much from Palkin and the London Post regarding Communist Russia and Israel.

Above we print illustrations of the foul, ugly Communist Jews who were poisoning Christian Russia in 1917. They were not alone in their task. The big Jewish New York bankers such as Jacob H. Schiff (Kuhn, Loeb & Co.), Felix M. Warburg, and Otto H. Kahn supplied them with twenty million dollars for the "Russian" Revolution.

Even today the picture has not changed. Almost every Communist spy, such as Julius and Ethel Rosenberg, Begun, Soblen, Col. Rudolph Abel, Morton Sobell, Sam Carr (Cohen), Gerhard Eisler, Robert Oppenheimer, Fred Rose (Rosenburg), Philip Jaffe, Harry Gold (Goldodnitsky), David Greenglass, Harry Dexter White (Weiss) and Judith Coplin, has been a racial Jew.

## Zionist War Crimes In Palestine Exposed

PALESTINE ZIONISTS GUILTY OF WAR CRIMES & CRIMES AGAINST HUMANITY

WOMEN AND CHILDREN MASSACRED BY ZIONISTS IN SHARAFAT.

By Palestine Arab Delegation  
—to United Nations

German leaders were tried, convicted and hanged for committing "war crimes against humanity." The principles of the Nuremberg Charter under which German leaders were convicted were confirmed by the United Nations General Assembly on December 11, 1946. The following acts are held to be crimes against the peace and security of mankind whether committed by authorities of a state or by private individuals:

- "Any act of aggression."
- "Acts committed to destroy a national, ethnical, racial or religious group."
- "Inhuman acts against any civilian population, such as murder, extermination, deportation or persecution on political, racial, religious, or cultural grounds."
- "Plunder or looting of public or private property and wanton destruction of cities, towns, or villages."

### ZIONISTS COMMITTED THESE CRIMES IN PALESTINE

- Alien Zionists committed aggression against the territorial integrity and national independence of Palestine.
- A Zionist alien minority expelled over one million Christian and Moslem Arab citizens of Palestine thereby destroying their national life and violating their birthright.
- Zionists committed many massacres, men, women, and children were murdered in cold blood.
- Zionists desecrated, profaned and destroyed Christian and Moslem holy places.
- Zionists plundered and looted Arab homes, lands, and possessions in the 80% of the territory of Palestine now occupied by Zionists.
- Zionists committed and continue to commit inhuman acts of racial and religious discrimination against those Palestine Arabs remaining under Zionist domination in occupied Palestine.

All and each of these acts are "war crimes and crimes against humanity," and "against the peace and security of mankind" for which Zionists should be tried, convicted and punished.

Mr. Winston Churchill on November 17, 1944 stated in the British House of Commons:

"If our dreams for Zionism are to end in the smoke of assassins' pistols and our labors for its future are to produce a new set of gangsters, many like myself will have to reconsider the position we have maintained so consistently and so long in the past. If there is to be any hope of a peaceful and successful future for Zionism, those wicked activities must cease and those responsible for them must be destroyed, root and branch."

Professor Arnold Toynbee, the British historian, in his Study of History Vol. VIII stated:

"The evil deeds committed by the Zionist Jews against the Palestinian Arabs were the massacre of men, women and children at Deir Yassin on the 9th of April, 1948, which precipitated a flight of the Arab population in large numbers from districts within range of the Jewish armed forces, and the subsequent deliberate expulsion of the Arab population from districts conquered by the Jewish armed forces between the 15th of May 1948, and the end of that year. . . . (the Jews knew from personal experience what they were doing.)"

### MASSACRES COMMITTED BY ZIONISTS

The Hagana, Irgun, and Stern gangs committed the following massacres in Palestine: The King David Hotel massacre, July 22, 1946; the massacre of Deir Yassin, April 10, 1948; the massacre of Nasereddine, April 14, 1948; the massacre of Carmel, April 20, 1948; the massacre of Al-Qabu, May 1948; the massacre of Beit Diras, May 3, 1948; the massacre of Beitkhoury, May 5,

## Our Monetary Inflation Cycle

By Douglas M. Smith, Editor  
"Smith Index of Money Factors, World Political and Economic Forces."

Regardless of any temporary downturn in the Stock Market, even though it could be quite substantial due to profit taking, we have not seen the extreme all time highs of the Dow Jones Industrial averages for this monetary inflation cycle which started in 1942 and so far shows no sign of completion.

Business will be excellent and profits good for this Fall and Winter.

Let me quote the opening paragraph of my "Forecast for 1963" written January 14, 1963. "There is every indication that the business economy of the United States will continue at a high level. The Smith Index (my own) of money factors is at a high level, indicating a sustaining business economy and also indicates future monetary inflation. Some time during 1963 the Stock Market should reach a new all time high. The basis of the above forecast is the action of the Smith Index and as it proved 100% right during 1962, which separated the men from the boys so far as their ability to judge the movements of the Stock Market and the Business Economy, it should be believed and watched." end of quote.

Since 1933 when the convertibility of our currency into gold coin was outlawed we have been in an era of managed money and monetary inflation.

Our government sells its paper to the Banks who gladly buy it with their deposits of money and then are able to loan roughly seven times this amount to clients, which creates new purchasing power. This is monetary inflation and decreases the value of the dollar and its purchasing power. Had the government sold their paper direct to the people there would be no monetary inflation. It is the loans that Banks make after purchasing the paper with its customers deposits that add new deposits with its additional purchasing power that "waters" our currency. It is really a tax on ones deposits which is equivalent to a capital tax. The Banks like it because of the interest they make on the loans. It is pure socialism.

The government-acquired monopoly of the labor-unions has resulted in a profit squeeze whose impact has not only been on corporate profits but, due to its competitive effect on exports, has aggravated the unemployment situation. A continuation of this trend along with the philosophy of subsidizing the unemployed regardless of who causes such increase of unemployment, must lead to either further inflation or more severe taxation on both corporate profits and individual incomes. In other words, we a nation "can't have our cake and eat it."
